

The next day Andy's mom wanted to have a yard sale. She looked for old toys in Andy's room and carried them outside in a box.

Oh no! Woody was in the box with the yard sale toys.

Andy's toys watched the yard sale from the window. There was a man by the table. Andy's mom looked away and the man moved fast.

"He's putting Woody in his bag!" cried Buzz.
"He's taking our friend!"
