

Alice phones Lisa. They are going to get their passports today. They must go to the Post Office.

Hi, Lisa.

Hello, Alice.

Let's meet at lunch time. Then we can get our passports for our holiday.

OK. I'll meet you outside the office at 12.30.

Lisa and Alice are in the Post Office. The assistant gives the passport forms to the two friends.

Please fill in these forms. Where are your passport photos?

Here are my photos.

Oh, no! My photos aren't in my bag! My photos are at home!
