

In the Palace, the Queen is singing.

La, la, la! I'm the Queen!

This is the butler.

Your Majesty!

Your tea ... and the bone!

Thank you.

Now where's that dog?

Where are you?

We've got a bone for you.

Woof! Woof!

What's that?

The Queen's dog is in front of Mr Bean's car.

He's there!

Woof! Woof!

Go away!

The dog goes away.

Mr Bean goes after the lorry again.

Where's the lorry now?

It's here!
