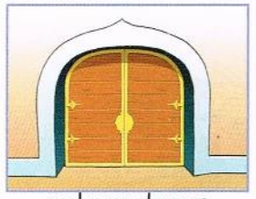
jump onto



palace doors

a hall

step forward

help

a doctor

The three Princes jumped onto the magic carpet.
In one minute, they were at the Sultan's palace!
The three Princes walked through the big palace doors.
In the hall, they saw the Sultan sitting on a sofa, crying.
"My poor daughter! My beautiful Perihan!"
The third Prince stepped forward and said,
"Your Majesty, I can help your daughter."
"Our best doctors have tried to cure Princess Perihan and they failed! How can **you** save her?" said the royal doctor.
"Oh let him try! Anything for my beautiful Perihan!"
