

One hour later, Pete and the pirates are on a small island. Pete looks for their treasure with his metal-detector. The pirates wait and watch.

Suddenly ... *Beeeeep!* ... Pete finds it.

‘That’s fantastic, boy!’ the captain says. ‘You’re a pirate now.’

Tom looks up. ‘A storm is coming,’ he says.

The storm arrives. The pirates quickly go back to the *White Rose* with Pete.

On the boat they look at their treasure.

‘This is a fantastic day!’ Pete thinks. Then he looks at the dark sea.

*Summer Sun* is near the *White Rose* now.

‘Oh no! That’s my mother and father’s boat,’ he says.
