

The girls are sitting in their cabin. They are still laughing about the milk.

"They were so wet!" says Gemma.

"And they smelled so bad!" says Faye. They laugh and laugh. The boys go to the girls' cabin. "This is going to be great!" says Eric.

Ryan pushes the door open. "Hey girls, we have something for you!"

Mike opens the cage and the rats run all over the room. The girls see the rats and start screaming. They jump on the beds. Some girls run for the door. "Rats! Get out! Get out!" shouts Gemma. The boys laugh. Now the girls are not laughing any more. "I'm getting out of here," cries Gemma. Faye cannot move. She is scared of rats. The boys laugh and laugh.
