

The small boat hits something very big in the water. Faye, John and Daniela fly out of the boat. They go into the water. David falls into the bags, and the bags fall into the water. "Oh no! The bags!" says David. "Get the bags! Quick!" Everybody gets wet, but they are all okay.

They get back in the boat but they are very wet and cold now. "Is everybody okay?" asks Faye. Daniela says, "Yes, I'm okay. But my leg isn't," she says. Tyler says, "I'm okay. John looks okay, too." "I'm okay. But look!" says David. "The bags are all wet." "Oh no!" says Faye. "My bag!"
