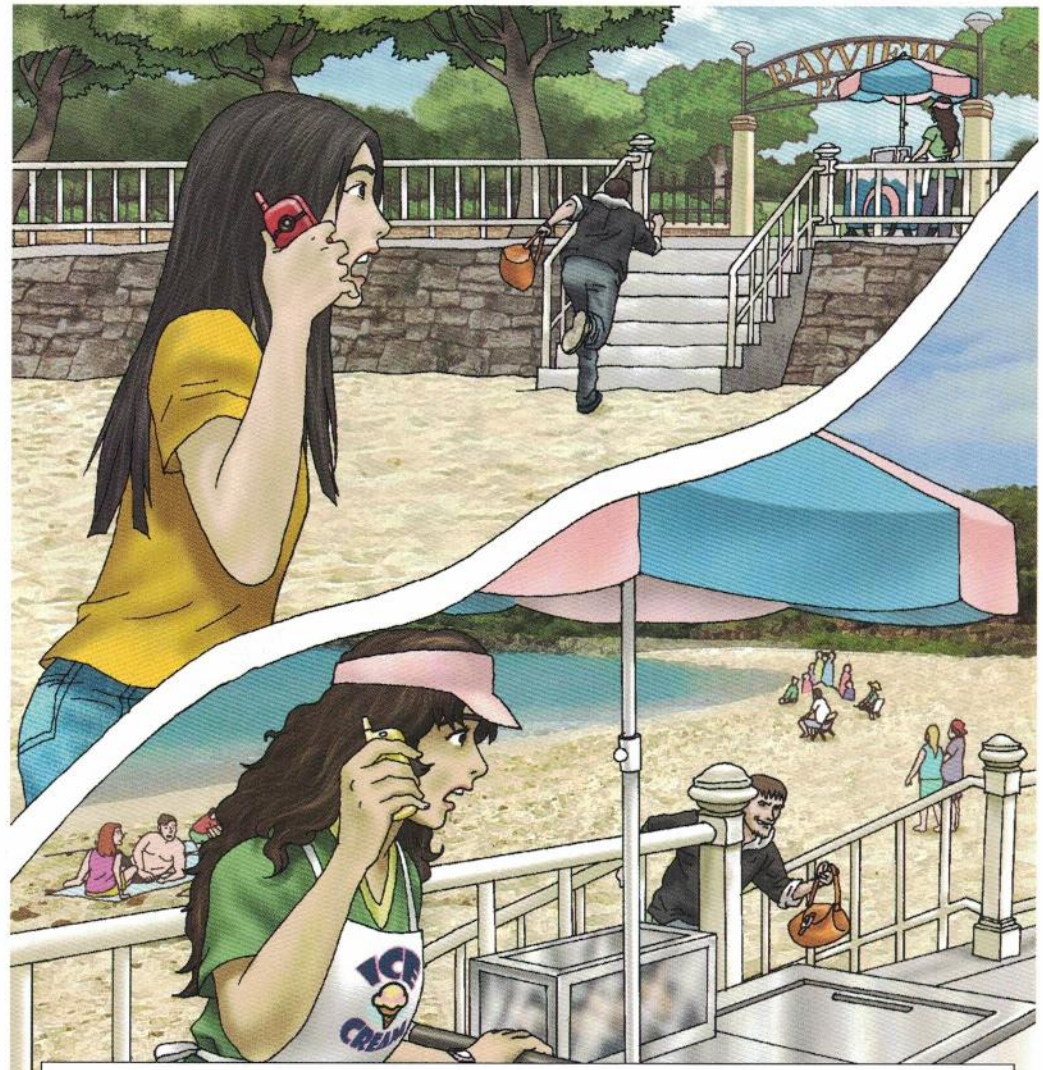
The man has a bag.
"Stop! Stop!" shouts a woman. "Stop him! He has my bag."
Faye says, "That man has the woman's bag!"
"Quick, let's stop him," says David.
"But how? Think. Quick, David, think!" says Faye.
The man is running away.



"Where's he going?" asks David.
"He's going to the street, I think," Faye says.
Faye gets her phone. She calls Daniela.
"Daniela, it's Faye. Stop that man, Daniela," she says.
"Okay, but which man?" asks Daniela.
"The man in gray. He has a woman's bag. He's coming to you," says Faye.
"Okay, I can see him," says Daniela. "I'll stop him," she says.
