

Chapter 3

24

SUNDAY MORNING
Come and climb
ULURU
Bus starts at seven

25 It's Sunday morning. A hotel bus is taking people from the hotel to Uluru. They're going to **climb** the rock. Micky Munro is talking to his manager.

I'm going up. Are you coming?

No, I'm going to stay at the hotel. I want to write some letters.

26 Steve and Sally aren't going in the bus to Uluru. They're staying at the hotel. They're going to work.

Mortimer, Munro and Manton are all going to Uluru.

Yes, that's good! Now we can go into their rooms. Micky Munro's room first!

27 Micky Munro's manager runs into the room. He's very angry. He has a gun.

What are you doing in Micky's room? I'm going to kill you!

28 Steve hits the man. The gun falls to the floor.

29 Steve and Sally are helping Munro's manager up from the floor.

Is he the killer, Steve?

I don't know, Sally. But we're going to ask him some questions.

30 Munro's manager talks to Steve and Sally about Micky. He's afraid for Micky.

Talk to us – and quickly!

I'm not a killer. You were in Micky's room and I was angry. Micky isn't a killer – but perhaps Micky knows the killer.
