

Father and Mother are packing the last boxes. They are so busy.

Two year old Yoni is playing among the boxes. He cannot find any of his toys. His legos, balls and teddy bear are not in his room. He is not happy.

It is 12 o'clock.

The movers put the last boxes onto the truck.  
At last they are ready to drive to the new house.

Father and Mother are in the truck. Yoni is sitting on Mother's knee. Everyone is ready to go.

The driver can't find his keys!
