Why didn't Shira come?
She went to the park with her friends.
Shira thinks that friends are the most important thing. Even more important than us, her family.

It's snowing! Yay! Everything is white!
Let's go outside and make a snowman.

Shira, can you help us make a big snowman? It will be so much fun.
Sorry, I'm going to play in the snow with my friends.

It's so hard to make this snowman. If Shira was here, she would help us.
Shira thinks that friends are more important than anything else. She doesn't know that family is forever.
