

“Now put them all in prison!” Lotso said.

Buzz and the Sunnyside toys put Andy’s toys in toy baskets.

“Buzz!” cried Jessie. “We’re your friends!”

But Buzz did not remember her now.

“You new toys must learn about life at Sunnyside,” Lotso said. “Now sleep well, because tomorrow the little children are going to play with you again!”

Woody was at Bonnie’s house. Her toys were nice, but Woody wanted to go home.

“Are your friends there?” asked one of Bonnie’s toys.

“My friends are at Sunnyside,” answered Woody sadly.

“Sunnyside? That’s the *worst* place!” cried Bonnie’s toys in surprise.

Woody listened to all their terrible stories about Sunnyside.

He *had* to go back and help his friends.
