The Lion is very sad. Now he is crying.

Dorothy wants to help the Lion. "Come with us," she says. "The Wizard of Oz can give you courage."

"Thank you," the Lion answers. "I want to be brave!"

Dorothy, Toto, the Scarecrow, the Tin Man, and the Lion walk down the yellow brick road. They walk for a long time.

At last they see a big green city – the City of Oz. Dorothy asks for the Wizard.
