What's the weather like outside?

On a rainy day, Fleecy Sheep and her two lambs were at home. Fleecy was showing them a travel guide with pictures of a cold place.

"Mum? Where are these pictures from?" asked Mary Sheep.

"They're from Antarctica!" she said as she flipped through the pages.

"What's the weather like in Antarctica?" asked Peter Sheep.

"The weather is snowy and cold," Fleecy explained.

"Wow," said Peter as he and his sister looked at the pictures.

"Mum? Can we please go to Antarctica?" asked Mary.
